

Teachers Rock® Youth Choir 2019/20 Outreach Programme

*Teachers Rock® are excited to announce that in Autumn 2019 we will be launching a new Teachers Rock Youth (TRY) programme for young people and their teaching staff, **TRY Acoustic** and **TRY Stadium Soundz**. These two initiatives will provide an opportunity for young people and their teachers to participate in a massed singing event hosted in one of the South West's major performance venues.*

Option 1 - TRY School Based Programme

New for September 2019, we are extending our provision to enable any school to participate in the Teachers Rock® Youth Choir programme via our School based programme. On completion of your online registration, Schools will be granted access to download our Teachers Rock® Youth Choir digital sample pack which will contain; sheet music, lyric sheets, lead sheets, backing and guide tracks for 2/3 Teachers Rock® vocal arrangements. Schools will be resourced with everything they require to prepare and learn the new, contemporary vocal arrangements within a classroom environment.

Teachers Rock® Gala Event - TRY Acoustic Thursday 28th November, 2019

All participating schools will be invited to join Teachers Rock® for this transformational contemporary choir festival hosted in the magnificent Exeter Cathedral. Schools will have the opportunity to participate in a contemporary vocal workshop with Teachers Rock® founder, Debbie Kent, perform as a massed Teachers Rock® Youth Choir alongside other Schools as well as have the opportunity to perform an individual song of their choice on the night.

Associated Costs
